EUROPEAN LAWYERS BERLIN EVENT

We are delighted to invite you to upcoming European Lawyers Annual 2016 Conference which will take place in Berlin, capital of Germany on 04-05 June.

This year, we have arranged a fantastic programme for our attendants. Primarily focusing on Private Equity, M&A Transactions in Europe, and Investment law and International Dispute Resolution, 2016 Berlin Event will build upon the strong foundation of success established by our prior events in recent years. In addition to high-quality seminars led by talented speakers, the Berlin event will provide attendees with robust opportunities to network as well as to build contacts with lawyers from all across the world in a relaxed setting.
